

VALET PARKING THEFT LIMITATION

It is hereby understood and agreed that this Insurance does not cover loss or damage by Theft or attempt thereat of any Unit which would otherwise be insured hereunder when a Unit is Valet Parked by the Assured or any employee of the Assured unless:

1. The Assured operates a Three (3) Part Parking Ticket System when Units are released into the care, custody and control of the Assured whereby (a) one portion of the Parking Ticket is placed on or in the Unit; (b) one portion of the Parking Ticket, together with the keys for the Unit, is retained by the Parking Attendant; (c) one portion of the Parking Ticket is retained by the customer.
2. All keys to Units entrusted to Parking Attendants are kept on a keyboard provided at the Parking Attendant's office or booth and shall not be left unattended at any time by the Assured or any employee of the Assured.
3. The person claiming the Unit presents the appropriate portion of the Parking Ticket to the Parking Attendant.

In the event of loss of the appropriate portion of the Parking Ticket this Insurance does not cover loss or damage by Theft of any Unit or attempt thereat which would otherwise be insured hereby unless the person claiming a Unit presents to the Parking Attendant (a) proof of identity (b) proof of ownership and (c) a claim of ownership in writing, and the Parking Attendant shall have retained a copy of the written claim of ownership and details of the proof of identity.
