

...Special orders don't upset us!

Dear Valued Customer,

Have you struggled to place the insurance of a technology firm when faced with a demanding contract? We have access to United States Liability Insurance Company's Technology products that offer a full spectrum of Professional and General Liability coverages!

Professional Liability

Contracts often require specific Professional Liability coverages for the technology segment – USLI's MicroTek and SuperTek products offer:

- Media and Intellectual Property Coverage:
 - Copyright or Trademark Infringement
 - Personal Injury coverage including Invasion of Privacy, Advertising Injury, Libel, Slander and More!
- Failure to Prevent Unauthorized Access
- Malicious Code
- Professional Liability coverage up to \$5 Million in limits
- Blanket Additional Insured Endorsement available
- No restriction on coverage for regulatory actions

General Liability

Many common General Liability coverages typically required by contract include:

- Blanket Additional Insured Endorsement is included with General Liability and Businessowner's Policy for no additional premium!
- Excess and Umbrella coverage are available up to \$5 Million in limits.
- Hired/Non-Owned Automobile coverage
- Waiver of Subrogation
- Primary & Non-Contributory Language
- Employer's Liability (Stop Gap) coverage

Financial Strength

Many contracts require a carrier with at least an "A" rating – United States Liability Insurance Group remains one of very few A++ carriers in the marketplace.

We remain committed to offering you great, flexible products for technology firms. Please call us to get more details on any of these options.

Thank you for your business!
